THIRTEEN TO ONE.

Class History.

The fact that there were thirteen girls and one boy in the class which graduated last month in Washington (Kansas) high school is thus commented on by the local paper:

"When this class was finishing its days in the eighth grade it was composed of twenty-five girls and twenty-one boys. Out of the twenty-one boys, only ten were able to pass the examinations for high school entrance. Eleven failed entirely. Out of the eleven, ten were cigarette fiends. Of the ten who passed, four have left town, two are learning trades, one graduates tonight, and the remainder graduated some years ago, taking the cigarette course."

"This same story is repeated year after year with slight variations. The boys do not quit school so much now-a-days to learn a trade or because they are needed at home, but because they would rather ornament their pockets with a package of Duke's Mixture, decant their fingers a beautiful brown and saturate their breath with the fragrant odor of a cigarette. It is so agreeable to decent people and so materially enhances their chances to get on in the world. Lots of boys will admit to these things in a lull interval and still go on knocking their chances for success in the head. It is a queer world."

is the saving from death of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured and is now in perfect health." Never fails to relieve and cure a cough or cold. At the Red Cross Pharmacy and Parlor Drug Store. An Enterprise of Great Earning Possibilities

There are always good properties on the market, but from many years experience we can say that it is rarely that we have placed in our hands for sale an offering which has such possibilities.

As every investor knows, it is not always easy to find a property splendidly equipped and on a commercial basis, with actual demonstrated values many times the outstanding capital and with an interest purchasable at any price.

On account of our acquaintance with this property, we have no hesitancy in recommending it as an investment from which a large income for years can safely be expected.

We are authorized to sell only a limited number of shares, and this will be the last opportunity which will be given you of obtaining detailed information.

It may occur to you on investigation that this is just the opening which you have been seeking for.

We deal in nothing but high-class securities.

DECIDE YOURSELF.

The Opportunity Is Here, Backed By Barre Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Barre endorsement. Read the statements of Barre citizens. And decide for yourself.

Here is one case of it:

Alvin F. Smith, retired, address 19 West Street says: "I was interviewed by a gentleman in the winter of 1897 about my experience with and opinion of Doan's Kidney Pills, a preparation for which I had gone to E. A. Drown's drug store and of which I took a course of the treatment. I believe I was born with a weak back and as I grew older, at least every year, I was subject to an attack of backache which compelled me to take to my bed. Doan's Kidney Pills stopped that annual occurrence and they have been the means of stopping other attacks since. When I look back over the 32 years of my life and think what I might have escaped had I known about the value of Doan's Kidney Pills, it makes me wonder that people, when they know of a remedy which acts up to representation, will not avail themselves of a positive means of preventing kidney complaint or any of its consequences. Often I could neither lift any weight nor stoop without suffering and added to this, there was a difficulty with the kidney secretions. Doan's Kidney Pills absolutely stopped a very severe attack. I have recommended them to many friends and acquaintances since the remedy came to my notice, and I know of a great many who have taken a course of the treatment and received undoubted benefit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
